Sue Wright
56, Derby road
Melbourne

Dear Sue,

I would like to put in an objection to Amalfi white extending their opening hours. Car doors being slammed, people shouting, music late at night as doors and windows are open, upstairs. Children shouting late at night down the garden as well as people talking. People standing outside waiting for taxis, talking. Taxis parked across my drive way running

their engines waiting
to pick people up.
When their IS functions
on upstairs, we get
stretch limousines trying
to park, double decker
buses all dropping
people off.

I already complained
about bin lorries coming
at 5 a.m. in mornings.

When they have deliveries
they park on the
pavement, opposite Amalfi,
there is nowhere to
park outside the
premises.

Yours sincerely
Sue Wright.
