## **EMBEDDED BENEFITS**

To answer the question "***What existing licensable activities are authorised by your existing Licence(s)?***" raised in part A3, we have adopted the second limb (b) of the definition given in paragraph 1 of Schedule 8 to the 2003 Act ("***any other licensable activities which may be carried on ... by virtue of the existence of the licence***").

For these premises, covered by a Justices' On-Licence, there are two such "***embedded***" benefits:

1. Playing of recorded music – s.182 of the Licensing Act 1964 allows "***...music and singing only which is provided solely by the reproduction of recorded sound***" without the need for a Public Entertainment Licence; and
2. Provision of late night refreshment – by virtue of the Late Night Refreshment Houses Act 1969. Section 1(2) exempts these premises from having to hold a Late Night Refreshment Licence from 10:00pm until 30 minutes after its permitted hours.

For these reasons, box f) recorded music and the box entitled Provision of Late Night Refreshment have been ticked as licensable activities which may be carried through the conversion process under "***grandfather***" rights.

If your Council has adopted the Private Places of Entertainment (Licensing) Act 1967, the provision of entertainment facilities for music and dancing promoted for private gain where the functions are private in nature is also a further licensable activity which should be carried forward as an embedded benefit through the conversion process.
