FM/79 **UPDATE ON THE COUNCIL'S MEDIUM TERM FINANCIAL POSITION**

The Director of Finance and Corporate Services presented the report to Committee, highlighting key factors that may impact on the financial position in relation to the General Fund and the Housing Revenue Account.

It was reported that based on current forecasts, the level of the General Reserve fund remained healthy. However, due to the impact of the reduction of core funding, projections showed that the budget deficit would take effect from 2018/19 onwards. The Director of Finance and Corporate Services advised that key budget saving areas were the leisure facility management contract, the pay award for the next two years combined with the revised pay and grading structure being lower than that budgeted. The Director informed the Committee that a separate report would be presented at a later date to propose the reinvestment of a proportion of the leisure management savings into playschemes. It was highlighted and agreed that remedial measures needed to be in place in order to maintain a resilient and sustainable financial position.

The Director of Finance and Corporate Services reported that the Housing Revenue Account was in a tighter position than the General Reserve Fund. This was predominantly due to the change in legislation to reduce rental of Council Houses by 1% per year to 2020 and therefore had placed pressure on income revenues.

Councillor Richards addressed the Committee advising that a presentation was being held by East Midlands Council with representatives from the Local Government Association regarding apprenticeship schemes. The Chief Executive informed the Committee that a government-assisted company had presented to Officers on the apprenticeship levy.

Councillor Atkins led Members in commending and thanking the Director of Finance and Corporate Services and his team for their hard work and efforts.

**FM/80 PROPOSED LOCAL COUNCIL TAX SUPPORT SCHEME 2017/18**

The Director of Finance and Corporate Services delivered the report to the Committee, outlining the options available to members with regards to alternative schemes and the Compensation Grant. Members were advised that the current scheme was cost effective given that changes including reduction of tax credits had been absorbed in the collection fund and the cost of the scheme was reducing whilst being implemented. A discussion ensued as to whether the Compensation Grant be transferred in its entirety, withheld or reviewed. Members decided to continue to transfer the grant.

**RESOLVED:**

- 1.1 Members agreed that the existing Local Council Tax Support Scheme currently in place be continued and adopted for 2017/18.***
