1.0 Recommendations

- 1.1 That the contents be noted.

2.0 Purpose of Report

- 2.1 To report the current position with regard to decommissioning costs for the existing Etwall Leisure Centre Swimming Pool.

3.0 Detail

- 3.1 There are no decommissioning costs for the existing swimming pool within the budget for the new Community Leisure Centre.

The Governors of John Port School have made an application for funding to Derbyshire County Council to convert the existing swimming pool into a temporary examination centre shortly after the pool closes. Funding is yet to be confirmed and may, in any event, be inadequate given the age and nature of the plant, the asbestos in the ceiling panels and other unforeseen hazards once intrusive investigations are completed. Ultimately the building will be demolished to make way for further development.
