(b) These measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and

(c) Where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.
7. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.
8. For the purposes of the condition set out in paragraph 1—

(a) “Duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979(6);

(b) “Permitted price” is the price found by applying the formula—
$$P = D + (D \times V)$$

Where—

- (i) P is the permitted price,
- (i) D is the rate of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
- (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;

(e) "Value added tax" means value added tax charged in accordance with the Value Added Tax Act 1994(7).

9. Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

10. (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax.

(2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

Application: Real Brewing Pub Company for The Garage, 7 Derby Road, Aston on Trent Derbyshire DE72 2AE

Licensable activities

I wish to submit a strong objection to these applications for extended hours noting the key points below:

- This company currently has licensed premises in a number of large towns and cities including Lichfield and Derby. These large locations are their prime areas of activity
- The opening hours are totally inappropriate for a small rural village and may clearly be defined as being suitable only for large conurbation areas
- Aston village currently has four premises (the majority being local family-run businesses) licensed for the consumption and/or off-sales for alcohol – two public houses, a Post Office and a village shop. This is more than adequate for the size of population; competition from a large organisation has the potential to adversely affect these businesses
- The location of The Garage is central to the village, surrounded by residential dwellings. Residents have a right to expect and maintain the peace and quiet of their immediate environment and these late hours are not conducive to that expectation.
- Approving these excessive lengthy hours will likely exacerbate pressure on the other licensed outlets to compete, thus adding to the issues outlined above. There are already issues re noise on Derby Road from cars driving away after closing hours.
- The Garage location is immediately next to the White Hart public house on the main road in/out of the village. The pub has shorter and therefore more reasonable opening hours. It is totally unnecessary for another outlet to be granted extended hours; unacceptable for a small village
- To the best of my knowledge the company has not undertaken any market survey as to identifiable need for these hours; so how come the application is for a variance?

The best case for this village is for this licence application to be refused in its entirety. The worst case is to refuse the additional and, frankly, ridiculous early and late times. Comments on the local social media are already alluding to the potential issues this application may create.

Whilst I appreciate that the issues concerning parking are not part of this application, it is important to note that early morning traffic and school opening are already creating daily gridlock in this area of Derby Road. To allow additional opening times at this point will not be helpful given that the only parking in the village is on both sides of every street and road. The village has incurred at least three vehicle accidents in six months due to traffic volume.

It is my contention that the application request has the potential to cause consequences, however slight, to the Prevention of crime and disorder / Public safety / Prevention of public nuisance and Child protection from traffic accidents due to the excessive hours and village centre location

Under the UK Human Rights Act 1998 and my right to privacy I do not wish this objection to be made available in the public domain. A similar objection a few months ago caused me issues in this village and I received an email from your department assuring me that my rights would be upheld in the future

Please also note that this application has been sent by email because your application form cannot be opened and thus completed on-line from my tablet

RE:

REAL BREWING PUB COMPANY LTD
The Garage
7 Derby Road
Aston on Trent
Derbys
DE72 2AE

Dear Sirs

I wish to object to the application for a variation of premises licence to the above premises on the grounds listed below:-

Prevention of Public Nuisance

I am concerned that if The Garage Bistro is granted an extension to the existing licence there is a potential of excessive noise to emanate from the building as my understanding is that, weather permitting, the full sized original garage doors are intended to be opened. I feel that villagers are entitled to peace and quiet throughout the day but especially before 11.00 am.

Public Safety

The village has only two number 73 buses serving its residents, the first being 9.40am. There is, in my opinion, a potential safety issue as the bus stop is adjacent to The Garage on an extremely narrow pavement. This bus is very well supported by, mainly, elderly residents and I'm concerned that if the Garage were granted additional hours in which to serve alcohol there would be an impact on these people waiting for their bus to arrive due to more traffic within the village. The Garage has no car park of its own so will rely on on street parking. Given there are now additional cars parking on Derby Road due to a nail bar and hairdressers housed in the same premises I worry there will be a road safety issue. Incidentally, an additional business is due to open above the nail bar and hairdressers creating yet more traffic issues.

I also fail to understand why, as the Bistro is not yet open and operating, it has been sold to a larger company and a variation to the licence is necessary. It was my understanding that The Garage Bistro was to be operated as a small local business in keeping with this village and on that basis I didn't object to the first proposal.

I therefore hope that this licence application change of opening hours will be refused

Yours sincerely

Subject: Re: The Garage, Aston on Trent

8th November 2022

To whom this may concern,

We wish to object to the following premises license, the property was previously known as The Garage, 7 Derby Road, Aston on Trent, DE72 2AF

As this is clearly now going to be trading as a public house (Derby Brewing Company) and not a cafe as previously stated, serving food till only 3pm each day and serving alcohol for the entirety of the day (16.5hrs) I have following concerns as this pub is to be trading next door to mine.

My pub trades with the proposed licensing hours this pub now wishes to have granted. I have big concerns regarding the already two pubs in the village and there customers clashing at the end of an evening, to now bring in a third hotspot causing nuisance, noise and anti social behaviour. This will not only cause distress to myself but to the neighbours. I would also like to highlight i have regular live music during the week and at weekends which would mean that two venues would more often than not have live music on at the same time, again causing upset to the neighbours and then with the new pub expecting to bring in a much younger trade from outside of the village the concerns then for the larger volumn of customers attending not only my live events but theirs, and then all exiting at the same time.

I would really appreciate you taking my concerns into consideration regarding the new licensing hours.

Thankyou for your time.

Regards

I am one of the Licensing Officers at South Derbyshire District Council and need to speak to Kelly Baverstock regarding the above premises urgently today.

Please could you let me know a good time to contact you after 2.30pm today? Please provide a telephone number as the one I tried sent me to voicemail.

Kind regards

References to the driveway relate to the land immediately adjacent to 7 Derby Road which forms the rear entrance to our property and not our front driveway on Green Leas, Aston

We are the immediate neighbours to the licensed premises and the owners of the land which forms the rear access to our house and workshop.

Permission has been granted to Maloka Developments for Customers (of a Cafe/Bistro) to cross this land for emergency purposes only.

We, and other people in the village, are concerned as to the nature of this business. I refer you to the following emails from officers of the council.

1. Delegated Report - Planning Assessment From Steffan Saunders dated 28/10/21 "would suit a cafe or restaurant"
2. Neil Thompson Planning officer to John Mills Environmental officer date 7/1/22 "looks like a cafe during the day and some drinks/wine bar in the evening" We suggest that this description is hardly a legal definition
3. Neil Thompson Planning officer to Applicant dated 6th April 2022 "Where will you store the bins given that you do not have any outside storage areas?"

The planning dept was contacted to establish what the difference was between a cafe/bistro and a pub as they represent different categories in planning and we are grateful to Holly Wardle planning officer for clarifying this for me. She stated "a pub is classed as 'sui generis' and is primarily used for the consumption of alcohol. Whereas class E(b) is something like a restaurant but also has a small food service to eat off the premises"

We believe this to be a simplistic view but fundamentally an acceptable analogy. We understand a more accurate legal definition relates to the percentage of turnover between Food/Alcohol. Food should be the dominant factor for class E premises

The applicant for this variation is "Real Brewing Pub Company Limited". The activities in their other premises are what you would normally expect from a pub and we are concerned that there may be an intention to operate in Aston on Trent in this way contrary to the planning category that has been allowed. Surely to operate as a pub a change of use would be necessary requiring full planning permission?.

We should also like to point out that the applicant for varying the licensing times is not the same as the licence holder has this licence been transferred or should this be a full application rather than a variation?.

Having established the various technical points We would like to list our objections which are:

1. Noise from live music and customers especially those leaving late at night from existing premises which, although irregular, can be extremely annoying and excessive. This would be compounded by another organisation with even longer hours

2. If the dominant use of this business is to serve alcohol there would be considerably more people present than if they were seated at tables enjoying meals.

This raises concerns about the customer safety in this building. The fire exit, which according to the plans submitted, is only 1.4m wide but is also listed as a bin store. In the commercial bins were located in this area as defined in the

planning application (No storage outside of these premises is allowed) the only areas outside that potentially could be used are either on the pavement or owned by us. We would not grant permission for any such use.

3. In the earlier premises licence application made only a year ago Police licensing officer expressed concerns over the late night operation and the original licensing times were subsequently curtailed. This variation seeks to revert to the original request which was not acceptable then and should not be acceptable now.

4. We have witnessed anti social behaviour related to alcohol abuse from time to time. We have lived in this location for 45 years and this would appear to be getting more common in recent years including broken bottles smashed on the sports field and our rear driveway which has been designated as a re-wilded area for the past 20 years in accordance with the local plan for nature. We are concerned that the side door to the licensed premises which leads out to this driveway could be abused by their customers despite the restrictions imposed in licensing approval.

We have found it necessary to install CCTV equipment to monitor any such breeches.

We had to remove someone consuming cans of alcohol from the driveway at the side of these premises only 2 nights ago. We feel that any extension to drinking hours would further exacerbate these problems and add to public nuisance.

Please consider these points when reviewing the variation application.

3 November 2022

Sir,

We wish to object to the variation in premises licence for the property known as The Grange, 7 Derby Road, Aston on Trent Derby, DE72 2AE.

The premises were subject to a change of use planning application in 2021 from a garage to a café. We do not consider the hours that a café would operate to be conducive to being able to sell alcohol for 16.5 hours per day.

We believe this could lead to a public nuisance with the closing of the premises coinciding with other licensed premises in the vicinity, in respect of noise and disruption to local residents.

As the premises is presumably going to operate as a café and not a public house, it will be open for children to enter either on the way to or from school (bus stop outside) potentially exposing them to alcohol and attempts to purchase it.

As these premises have no off-street parking any increase in traffic on the already busy Derby Road by staff and customers is also likely to cause safety issues throughout the day and evening.

Yours Sincerely

We should like you to consider the following examples of public safety when applied to the variation application for 7 Derby Rd., Aston on Trent.

Image 4

Images 1 & 2 taken in pitch darkness (using flash to illuminate) shows a bin currently being used by 1 of 4 business premises at this address clearly obstructing not only the pavement but also the designated fire exit.

You can also determine the viability of this fire exit as the alleyway behind this door is not much wider than the door itself and the detailed plans submitted to SDDC Planning describe this as the bin store as well as the fire exit.

Images 3 & 4 show the same bin 2 days later. No-one has bothered to move it.

You should note that 2 of the businesses that will be using these bins are not yet in operation.

The licensed premises would require a much larger bin than that shown. This scenario can only get worse.

The following link is a press release made by the Managing Director of Derby Brewing where he has clearly indicated his intention to run this establishment primarily for the purpose of serving alcohol. When the kitchens are closed there would be an increase in the number of people present which would pose a significant additional risk.

https://www.derbytelegraph.co.uk/whats-on/food-drink/derby-brewing-reveal-plans-open-7830230?utm_source=linkCopy&utm_medium=social&utm_campaign=sharebar

Permission has not been given to Derby Brewing to allow emergency exit over land that we own.

This would constitute the only alternative way out of these premises other than the main doors.
