DC/116. **REPORTS OF MEMBERS**

(a) Woodville Woodlands Development – Adoption of Highways

Councillor Bell queried whether the roads in phase one of this development were to be adopted. It was reported that as far as Officers were aware, following some relatively minor engineering re-designs, a Section 38 Agreement had been signed and therefore the roads would be adopted.

(b) Cranberry Foods, Scropton

Councillor Bale reported that putrid smells were evident in connection with this business. It was alleged that the company had been illegally pumping waste water onto adjacent fields and photos were circulated to Members. Councillor Whyman, M.B.E. supported the comments made and the Head of

Planning Services reported that although the current conditions of the planning permission had not been breached, the Head of Environmental Services could be advised of the serious concerns of the Committee. This course of action was agreed accordingly.

(c) Gypsy Encampment, Linton

Councillor Southern expressed his thanks to the Planning Officers for their prompt action in dealing with a gypsy encampment at Linton.

MATTERS DELEGATED TO COMMITTEE

DC/117. **SITE VISITS**

- (a) The retention of windows in the garage approved under 9/2003/0480/FH at the Hill Lodge, Deep Dale Lane, Barrow-on-Trent (9/2005/0040/FH)

Further to Minute No. DC/113(b) of 1st March 2005, it was reported that Members of the Committee had visited the site prior to the Meeting. The Chair advised that the building under construction on the site bore no resemblance to the submitted plans. Consideration was given to the application and, it was,

- (2) That any non-compliance on the site be investigated.***

(Councillor Atkin declared a prejudicial interest in this application as he farmed adjacent land and withdrew from the Meeting during the consideration and determination thereof.)

- (b) The erection of five dwellings on plots 37-41, Phase 4 of the development at land between Nos. 145 and 153 Oversetts Road, Newhall (9/2004/1453/F)

Further to Minute No. DC/113(a) of 1st March 2005, it was reported that Members of the Committee had visited the site prior to the Meeting. Consideration was given to the application and, it was,

RESOLVED:-

DC/118. **TREE PRESERVATION ORDER NO. 230 – LAND AT NOS. 12 AND 14 ALDERSLADE CLOSE, ASTON-ON-TRENT**

It was reported that this Tree Preservation Order (TPO) was made on 14th October 2004 in respect of two Silver Birch trees located at Nos. 12 and 14 Alderslade Close, Aston-on-Trent. The Order was made as it was considered

that the two Silver Birches had a good amenity value, were well seen from the road, had a reasonable wildlife value and were therefore worthy of TPO status. The TPO had been made at the request of Aston-on-Trent Parish Council.

Comments had been received from the occupier of No. 12 Alderslade Close indicating that it was her intention to cut down the tree due to root disturbance to the surface of her tarmac drive and to the frequent necessity to prune the tree due to its proximity to adjacent telephone wires. In response to these comments, Officers advised that an application to fell or prune the trees would be considered on its own merits.

In conclusion, it was considered expedient in the interests of amenity to protect these two Silver Birch trees by a Tree Preservation Order. As the trees were located in the front garden of No.14 and on the driveway of No. 12 Alderslade Close respectively, they were considered to be of good amenity value within the Close. Applications to undertake works to the trees would be considered by the Authority in the interests of ensuring that the trees' amenity value to the area were not diminished.

It was reported that several days still remained in the consultation period relating to the Order.

RESOLVED:-

- (1) That, subject to no new issues being raised within the remaining period of the consultation procedure, the Tree Preservation Order be confirmed without modification.***
- (2) That any new issues raised within the consultation period be delegated to the Head of Planning Services in consultation with the Chair of the Committee.***

DC/119. THE UNAUTHORISED USE FOR THE SITING OF RESIDENTIAL GYPSY CARAVANS, TEMPORARY STRUCTURES AND CHATTELS AND THE PARKING OF TOWING AND OTHER VEHICLES ON LAND TO THE NORTH SIDE OF UTTOXETER ROAD, HILTON

It was reported that at the Meeting on 1st March 2005, the Committee refused planning permission 9/2004/1472/U to regularise the unauthorised use of land to the north of Uttoxeter Road, Hilton for the siting of residential gypsy caravans.

The decision notice was issued to the applicant on 8th March 2005 and a site inspection carried out on 10th March 2005 revealed that the caravans were still present on the land. The site therefore remained in unauthorised residential occupation, notwithstanding the issue of a refusal notice and accordingly, there was a clear and continuing breach of planning control.

RESOLVED:-

That all necessary action be taken under the provisions of Section 172 of the Town and Country Planning Act 1990 (as amended) to secure the cessation of the use of the land for the purposes of siting residential gypsy caravans, temporary structures and chattels and the parking of towing and other vehicles, the removal of hardstandings and the

restoration of the land to agricultural use within a period of three months.
