2.0 Purpose of Report

2.1 To adopt the detailed regulations for the proposed Local Council Tax Reduction Scheme for South Derbyshire for 2017/18.

2.2 This is based on the recommendation of the Finance and Management Committee of 13th October 2016. After considering options available, the Committee recommended that the scheme in place for 2016/17 should be continued into 2017/18, with no changes.

2.3 As a billing authority, the Council is statutorily required to adopt a local scheme before 31st January 2017. The Regulations will come into force immediately and will be effective from 1st April 2017.

3.0 Detail

Council Tax Reduction Scheme

3.1 The South Derbyshire regulations are based on the previous national scheme that applied to Council Tax Benefit prior to 2013/14.

3.2 In summary, the Local Scheme incorporates the previous parameters and thresholds for calculating Council Tax Reduction for claimants, adjusted to reflect new parameters, as follows:

- That working age claimants currently receiving 100% benefit are deducted 8.5% from their entitlement calculated under the Local Scheme.
- That all other working age claimants are deducted 10% from their entitlement calculated under the Local Scheme.
- That full Council Tax Reduction for claimants entering work is extended from 4 weeks to 8 weeks in the Local Scheme.

3.3 Within the Local Scheme, certain claimants are protected and continue to receive the same level of support as existed under the previous national scheme. Protection is afforded to the following groups:

- All claimants of pensionable age (this is a statutory requirement).
- All households who qualify for benefit through disability premiums.
- All war widow and war disabled claimants.
- All military compensation payments are fully disregarded in calculating Council Tax Reduction.

3.4 The Local Scheme will also apply to all new claimants after 1st April 2017.

3.5 The detailed regulations, guidance and supporting information will be published on the Council's web site.

4.0 Financial and Corporate Implications

4.1 Detailed implications were considered in detail by the Finance and Management Committee in October 2016. The cost of the Local Scheme is currently being contained within the Council's Budget and it is anticipated that this will continue for 2017/18.

4.2 The Finance and Management Committee receive regular monitoring reports which keep under review actual claimants and costs. This will continue in 2017/18 with any changes being considered ahead of the budget round for 2018/19.

5.0 Community Implications

5.1 The proposals will have an impact upon residents of the District who currently claim support or in the future may become eligible under the Local Scheme.

5.2 Due to no changes being proposed, no formal consultation has been undertaken for the 2017 Local Scheme.

5.3 It is noted that a full consultation exercise was undertaken over a 12 week period from August to November 2012 which informed the basis of the original Local Scheme (2013).

5.4 Following the adoption of the 2017 Local Scheme, this will be communicated to all stakeholders.
