EDS/20 **SHARED PROSPERITY FUND – VERBAL UPDATE**

The Head of Growth and Economic Development gave the following verbal update-

**Shared Prosperity Fund – End of Year 1 Update (31 March 2023)**

South Derbyshire had been allocated £2,156,374 through the Shared Prosperity Fund over a three-year period 2022/23-2024/25. The Government delayed the anticipated start of the programme nationally. £236,441 of expenditure was undertaken in Year 1 (2022/23). The capital spend target was met. There was a revenue underspend of £25,255 which the Government agreed could be carried forward to Year 2 (2023/24).

The Investment Plan for South Derbyshire was approved by Government, envisaging a package of measures:

**Communities and Place**

- Town centre public realm works were underway in Swadlincote. The Delph market square was undergoing refurbishment, including the installation of additional bollards to prevent unwanted vehicle access onto the square and the resurfacing of the main square and restoration of the Town Hall steps. The redevelopment of the vacant/derelict Bank House/Sabine's Yard site was also underway to create additional free public car parking and a pocket park on Belmont Street.

- The planning of additional promotional and community activities, including visitor promotion, events and activities was underway, together with the appointment of an additional Community Safety Enforcement Officer dedicated to addressing environmental crime and anti-social behaviour issues in town centres.
- A community grant fund for third sector organisations, voluntary and community groups had been established to offer grants of between £2,000 and £25,000 (up to 80% of total project costs). Projects that could be supported include property improvements, energy efficiency and generation measures, green space enhancements, or arts, cultural, tourism and heritage initiatives.

### **Supporting Local Business**

- A grant scheme for smaller businesses had been established, open to sole traders, partnerships and limited companies with less than 50 employees. Grants of £1,000 - £50,000 (up to 80% of the total project costs) were available. Projects that could be supported include purchase of equipment, the introduction of new products/services or processes/techniques, starting or growing exports, and initiatives to increase productivity.
- The Derbyshire business start-up programme was to be extended. The scheme was open to people who were starting their own business or had set up a business in the last 12 months. It offered expert advice, together with grants of up to £10,000.
- Proposals were being drawn up to deliver the following programmes:
  - A business support programme, including workshops, events, and specialist advice.
  - Energy audits and a carbon reduction grant scheme for smaller enterprises.

### **People and Skills**

  - Employability activities to support those furthest from the labour market.
  - Supporting aspirations amongst young people in order to raise social mobility (Year 3 only).
  - Addressing skills gaps through training courses or learning bursaries (Year 3 only).

## **Rural Economic Prosperity Fund**

South Derbyshire had latterly been awarded £400,000 from the Rural Economic Prosperity Fund (REPF), which would operate alongside the Shared Prosperity Fund during Years 2 and 3 (financial years 2023/24 and 2024/25). The Fund would provide grants to organisations located in the Government's designated rural areas of South Derbyshire.

Rural areas often faced specific challenges including lower productivity rates, poorer connectivity and poorer access to key services.

The Rural Fund was integrated into the UK Shared Prosperity Fund (UKSPF) which supported productivity and prosperity in places that need it most. The Rural Fund was a rural top-up to UKSPF allocations. It would support activities that specifically addressed the particular challenges rural areas face. It would be complementary to funding used to support rural areas under the UKSPF. The Rural Fund aimed to improve productivity and strengthen the rural economy and rural communities.

Any organisation with legal status could apply for funding to deliver a Rural Fund intervention. Which may include local authorities; public sector organisations; higher and further education institutions; private sector companies; voluntary organisations; registered charities; and, arms-length bodies of Government.

The Rural Fund provides capital funding to spend on lasting assets such as a building or equipment that:

- support rural businesses to develop new products and facilities that would be of wider benefit to the local economy. This would include farm businesses looking to diversify income streams. (£200,000)
- support new and improved community infrastructure, providing essential community services and assets for local people and businesses to benefit the local economy. (£200,000)

The Rural Fund allocation for third sector organisations would be awarded to projects in the designated rural areas with a maximum grant of £25,000 per project and a limit of one award per organisation/venue during the lifetime of the scheme, plus additional weighting given in the assessment process to projects located in Lower Super Output Areas that have higher Index of Multiple Deprivation 2019 scores and/or that had received lesser amounts of Community Partnership Fund monies in the past 3 years.

Members thanked the Head of Growth and Economic Development and commended the update and the work that had been undertaken.
